Dear pen pal,

It was interesting to me to find out that your birthday is on the 19th of April. My birthday is on the 2nd of November. I like birthday parties. My best friend always finds some interesting things on my birthday. This year she dressed as a clown and made me laugh. However, I have never been on a picnic. In addition, I do not know how to play different games. Nevertheless, I hope to learn to play games.

I have many holidays and I do not remember them. Nevertheless, two or four years ago I had a birthday party. My mommy went to work and father went to the countryside. On my birthday, I felt myself alone. However, my friends came to my place and we played videogames.

I do not have special holiday but I think it is very interesting.

Can you tell me about your special holidays? Do you like to play videogames? Can you teach me to play different outdoor games?

See you soon.

Lera.
